RECEIVED

APR 28 2016

S.D. SEC. OF STATE

ATTORNEY GENERAL  
2016 BALLOT EXPLANATION  
REFERRED LAW 20

Title: An Act lowering the State minimum wage for non-tipped employees under age 18

Explanation:

State law requires employers to pay all non-tipped employees a minimum wage, with limited exceptions. Currently, that amount is \$8.55 per hour. State law also requires that the minimum wage be adjusted, effective on January 1 of each year, by any increase in the cost of living as measured by the U. S. Department of Labor's Consumer Price Index.

Referred Law 20, if approved, would lower the existing State minimum wage to \$7.50 per hour for non-tipped employees under age 18. In addition, no annual cost-of-living wage adjustment would be required for the youth minimum wage.

The referred law would also prohibit employers from taking any action to displace an employee or reduce an employee's hours, wages, or benefits, in order to hire someone at the youth minimum wage.

A vote "Yes" is for lowering the minimum wage to \$7.50 per hour for non-tipped employees under age 18.

A vote "No" is against the referred law.
