**The following is a summary (not verbatim) of the matters discussed.**

*In the Matter of Open Meeting Complaint 13-02, Leola School District*

Attorney Rodney Freeman appeared telephonically on behalf of the school district.

Diane Best stated that she had contacted Jerome Mack by telephone and left a message with the teleconference number. She had not heard if he was going to join the call.

Chairman Steele explained the meeting was called to finalize the language in the Leola decision. The OMC had approved Findings of Fact and Conclusions of Law as submitted by Mr. Freeman on August 23, 2013 and authorized them to be issued. However, the language of the final clause was somewhat inconsistent with the usual practice of the OMC in cases where the OMC finds there is no violation.

Rothschadl moved to reconsider the Findings of Fact and Conclusions of Law. Krull seconded the motion. The roll was called and all voted in favor.

The School District's proposal stated "The Complaint of Jerome Mack is hereby dismissed, on its merits, with prejudice thereby." The usual language is "Based on the foregoing Findings of Fact and Conclusions of Law, this Commission holds that the above entitled respondents did not violate the Open Meeting Law on the dates described above."

Krull moved to adopt the usual language. Reedstrom seconded. The roll was called and all voted in favor.
