**BE IT ENACTED BY THE PEOPLE OF SOUTH DAKOTA:**

That Article VI of the Constitution of the State of South Dakota be amended by adding a NEW SECTION:

Before the end of the first trimester, the State may not regulate a pregnant woman's abortion decision and its effectuation, which must be left to the judgment of the pregnant woman.

After the end of the first trimester and until the end of the second trimester, the State may regulate the pregnant woman's abortion decision and its effectuation only in ways that are reasonably related to the physical health of the pregnant woman.

After the end of the second trimester, the State may regulate or prohibit abortion, except when abortion is necessary, in the medical judgment of the woman's physician, to preserve the life or health of the pregnant woman.
