FY 2018 OVERVIEW

In FY 2018, Law Enforcement Training was filled with a number of changes and challenges. LET hired Janelle Keller as a basic training coordinator. Janelle is currently in the National Guard and brings a training background to LET. The basic academy has been filled to capacity, which can be a challenge with limited resources and manpower; however, we stay committed to our vision to provide a foundation of skill and knowledge for students attending the Basic Certification Course, upon which they will continue to build and enhance their job performance.

A Job Task Analysis (JTA) was completed two years ago on the Basic Academy. This JTA continues to guide what is taught during the 13-Week Basic Academy. The JTA was compiled after a questionnaire was sent to all law enforcement departments in South Dakota. The following changes were approved by the Law Enforcement Officers Standards and Training Commission (LEOSTC) and implemented into the FY 18 academy sessions:

- Traffic Accident Investigation was reduced from 34 hours to 16 hours, and the focus was changed to Accident Response and Reporting;
- Street Gangs and Outlaw Motorcycle Gangs were eliminated – two hours each;
- Ten hours were added to Search & Seizure – two of those ten hours requires a student to write a warrant;
- Two hours were added to Building Searches to focus on active shooter response;
- Six hours were added to Mental Health/Crisis Intervention for a total of 16 hours. Course name changed to Response to Persons in Crisis; and
- A new class was added – Concealed Carry/Firearms Laws – two hours.

We appreciate the participation we received from the law enforcement agencies who helped complete the JTA.

Three Basic Certification Session were held in FY 18. We had 128 officers graduate from the Basic Academy. There were four academic dismissals, one resigned from their employing agency while attending the academy, two withdrew from the session, and one was dismissed for disciplinary reasons.

This year was a big year for South Dakota Drug Abuse Resistance Education (DARE). Law Enforcement Training trained 18 new DARE officers during the DARE Officers Training in July 2018. DARE America released the new High School Curriculum Real Messages, MyPlaybook, and Celebrate Safely. In 2017, South Dakota piloted all three programs in Aberdeen, SD. After a successful trial in 2017, South Dakota presented high school curriculums in three additional school districts and continues to get requests for the training from educators. South Dakota also sponsored BIA Officer Amber Johnson to attend the 2018 Mentor Officer Training course, and she is now a DARE Mentor for our State. Amber is a school resource officer and DARE officer at Cannon Ball Elementary in North Dakota. Amber has partnered with South Dakota and is helping with research and development of a DARE Curriculum and Drug and Alcohol Abuse statistics on reservations and tribal schools. South Dakota has led a national effort and will present the new material at the 2019 DARE International Conference.
The Law Enforcement Officers Standards and Training Commission (LEOSTC) did not have any personnel changes throughout FY 18. LEOSTC approved a new Administrative Rule concerning the current K9 rules. These rules now define how South Dakota will train and certify canines and canine officers. LEOSTC also had several hearings and took action on several law enforcement officers’ certifications. The commission revoked two law enforcement officers’ certifications and suspended the certification of one officer. Three officers voluntarily signed over their certificates to the commission.

Law Enforcement Training offered three Basic 911 Telecommunicator courses with a total of 44 telecommunicators receiving certification. Advanced 911 courses were also offered to include Limited Access and Emergency Medical Dispatch classes. The Basic 911 course continues to use a great deal of hands-on training, and students are required to pass a practical exam on the simulators, which helps prepare them to be successful when they return home to their respective agencies.

Law Enforcement Training continued a very aggressive schedule of providing 80 advanced training courses with over 2,400 officers receiving training. These numbers include officers trained on-site at the training academy, out in the field, and on-line. Due to the continuing need for mental illness training, we have expanded opportunities to departments to apply for funding for local mental illness training. In addition, we are developing on-line mental illness training which gives officers the option to take just one block of training, and apply that toward their continuing education requirement or take all blocks of training, which also allows them to become certified in Crisis Intervention Training.

As we close the books on FY 18, LET will continue to focus on our mission, “To promote excellence in public safety through development of professional standards, delivery of high quality training programs, and embracing the community policing philosophy, thereby producing a highly trained and ethical professional who will respectfully serve the citizens of South Dakota.”

We wish you a safe and healthy year and look forward to serving all of our customers in the years to come. The following pages contain a summary of FY 2018 for your review.
All full-time and part-time law enforcement officers are required to be certified within their first year of employment, including elected officials. As of June 30, 2018, there are 1,946 active full-time and part-time certified law enforcement officers in South Dakota.

Total expenditures for fiscal year 2018 were $2,683,030.03. This includes all academy training, field training, in-state and out-of-state training. The money for the South Dakota Law Enforcement Training Program is derived from a portion of the fines paid by violators of the law. The amount of money derived from fines is allocated to the individual program by statute and made available through legislative appropriation.
There are 332 active certified 911 telecommunicators in South Dakota, 303 full-time telecommunicators, and 29 part-time telecommunicators.

There are 24 reserve units in South Dakota:
- Sheriff’s Office - 10 units
- Police Department - 11 units
- Division of Criminal Investigation - 1 unit
- 2 units joint with Sheriff’s Office and Police Department

There are a total of 183 reserve officers, 140 officers have received their reserve certification.

There are 27 Drug, 10 Drug/Patrol, 1 Arson, 2 Explosive/Patrol, 1 Patrol, 5 Corrections, and 1 Patrol teams.

"IN THE LINE OF DUTY"

I NEVER DREAMED IT WOULD BE ME,
THE BADGE NO LONGER ON MY CHEST,
MY NAME FOR ALL ETERNITY.

I SLEEP NOW IN ETERNAL REST,
RECORDED HERE AT THIS HALLOWED PLACE.
MY SWORD I PASS TO THOSE BEHIND,
ALAS MY NAME, NO MORE MY FACE.
AND PRAY THEY KEEP THIS THOUGHT IN MIND.
"IN THE LINE OF DUTY" I HEAR THEM SAY;
I NEVER DREAMED IT WOULD BE ME.
MY FAMILY NOW THE PRICE WILL PAY,
AND WITH HEAVY HEART AND BENDED KNEE;
MY FOLDED FLAG STAINED WITH THEIR TEARS.
I ASK FOR ALL HERE FROM THE PAST,
WE ONLY HAD THOSE FEW SHORT YEARS.
DEAR GOD, LET MY NAME BE THE LAST!

GEORGE HAHN
