Contact the hosting agency to register so we know how many will be attending and what type and amount of ammunition will be needed. The time listed is the time the classroom portion of the training begins. Everyone who plans to shoot MUST attend the classroom portion! We DO NOT provide eye or hearing protection. You will need a baseball cap. **Law Enforcement Training will provide ammo for 9mm Luger, .38 Special, .40 S&W, and .45 ACP caliber weapons at this summer's shoot. Students not using ammunition provided by LET must provide a minimum of 100 rounds for the pistol they will be firing.** A shotgun familiarization course will also be provided for those wishing to attend. Extra rounds, other then the 5 rounds of slugs and 10 rounds of 00 Buck provided, will need to be provided by your agency and is advised in case of the need for a re-shoot. Agencies wishing to participate in the shotgun training must also have a 50 yard range for this course. Agencies that send non-certified officers or reserves will need to provide an instructor or supervisor to assist those trainees. LEOSA eligible personnel must pay \$50.00.
