RE: Complaints Relating to the Proposed Initiated Amendment Establishing  
A Right To Abortion The State Constitution – Response to letter dated  
November 2, 2023

Dear Mr. Weiland,

Thank you for your correspondence of November 2, 2023, wherein you request the opportunity to review the evidence that has been provided to this office on the petition process for the proposed Abortion Amendment you have sponsored. I would be happy to review the evidence personally with you at a time and location, Sioux Falls, Rapid City, or Pierre office, that is convenient for both of our schedules. The complaining party has consented to the release of the information to the media and the public, and I would like to take into consideration your position before any decision is made on its public release from this office.

Finally, if you or your organization is represented by legal counsel, it is important that counsel be present for any viewing. Thank you for your attention to these important matters.

Sincerely,

A handwritten signature in black ink, appearing to read "Marty J. Jackley".
