CONSTITUTIONAL AMENDMENT

ATTORNEY GENERAL'S STATEMENT

Title: An Amendment to the South Dakota Constitution that Repeals Expanded Medicaid Coverage if Federal Funding for the Program Drops below 90%.

Explanation:

Medicaid is a program, funded by the State and the federal government, to provide medical coverage for low-income children, pregnant women, disabled individuals, and the elderly. In the 2022 General Election the voters approved Constitutional Amendment D, which expanded Medicaid eligibility in South Dakota. Amendment D requires the State to also provide Medicaid benefits to anyone over the age of 18 and under 65 whose income is at or below 133% of the federal poverty level, plus 5% of the federal poverty level for the applicable family size. Currently, federal law requires the federal government to fund 90% of South Dakota's Medicaid expansion.

This proposed Constitutional Amendment ends the expanded Medicaid coverage if the federal funding for expansion drops below 90%. If federal funding drops below that 90% threshold, Medicaid coverage will once again only apply to low-income children, pregnant women, disabled individuals, and the elderly.

"Vote 'Yes' to adopt the amendment." "Vote 'No' to leave the Constitution as it is."
