### **NOTICE OF POSTPONED MEETING**

Greetings:

The Government Accountability Board previously scheduled a Board meeting to occur on Monday, March 16, 2026 at 1 p.m. at the Minnehaha County Courthouse. In light of the inclement weather in South Dakota set to arrive on the weekend of March 14-15, 2026, the Board has decided to postpone the meeting previously set for Monday March 16, 2026.

When a new date and time for the meeting is set by the Board, further postings and an updated agenda will be provided to the public on the Boards and Commissions website, on the Office of Attorney General's website, and in person at the courthouse location chosen for the meeting and the Pierre and Sioux Falls office branches for the South Dakota Attorney General.

Please contact Nolan Welker at 605-773-3215 or Lindsey Quasney at 605-367-5882 with any questions. Please stay safe in the winter weather.

Regards,

Nolan Welker  
Assistant Attorney General  
On Behalf of the Board
