On 4-6-2011, an individual identified as the girlfriend of Scott Mollman, advised that around midday on 4-6-2011, Mollman told her that he was very upset with a local physician regarding treatment he had received for pain and prescriptions he may or may not have received and may or may not have been taking. Mollman told his girlfriend that this physician "was going to pay" and he should feel the pain that he (Mollman) was in. He stated that somebody should pay as he was in a lot of pain, could not stand it anymore and, "I just want to die." Mollman told her that she should stay away as he was letting everyone down. Mollman was visibly upset and crying when he was talking.

Mollman then left Spearfish, SD enroute to Rapid City, SD driving a black Pontiac Grand Prix. Between 3:30 PM to 7:00 PM, the girlfriend and Mollman were texting and having phone conversations while Mollman was driving to Rapid City. Text messages from Mollman to his girlfriend included the following:

- "Gonna be fanninus"
- "don't call it's 223 murder time!!!" "dual it murder time"
- "suicided by cop!!!!" "docs are gonna get it"

During a phone conversation, the girlfriend asked Mollman where he was. Mollman replied, "On the highway to hell". She told Mollman to come home and Mollman responded, "No, I love you, I'm not coming home."

At approximately 6:38 PM, Law Enforcement Dispatch received a 911 call from a citizen to report a black sports car driving erratically near Black Hawk, SD.

At approximately 6:50 PM, Mitzel received another phone call from Mollman stating that he blew a tire and lost a fender on the car.

At approximately 6:55 PM, a different citizen called 911 to report a black Grand Prix, SD license #9DM013, speeding for over a mile with a flat tire; last seen traveling west on Highway 44 near the Fish Hatchery.

At approximately 6:58 PM, Pennington County Deputy Ed Johnson was dispatched to investigate the vehicle complaint. Dispatch identified the registered owner's address as 6248 Blake Road Rapid City, SD.

At approximately 7:12 PM, Deputy Johnson arrived at the address of 6248 Blake Road to follow up on a vehicle complaint. Deputy Johnson was wearing an issued deputy tan uniform with his shoulder patches, badge and duty gun belt.

At approximately 7:15 PM, Deputy Johnson walked to the front door of the residence. He knocked on the door with no response. As he was standing in front of the residence, he heard a gunshot from the area of a large garage just to the northwest of the main house. Deputy Johnson radioed dispatch and advised that he had heard a gunshot.

Deputy Johnson observed an open door leading into the garage. This was the same direction that he heard the gunshot come from. He then walked toward the garage to investigate. Upon arriving at the garage, he looked inside the garage and then heard noises and voices coming from inside. It should be noted that there were lights on in the garage and light entering the garage from the open door. As Deputy Johnson was standing in the doorway of the garage, a male subject appeared to his left. This subject, later identified as Scott Mollman, continued to walk toward him. Deputy Johnson then observed that Mollman was carrying two firearms. One firearm was a scoped rifle that was in Mollman's left hand. The other firearm was a large revolver that was in Mollman's right hand.

Deputy Johnson could see that Mollman had his right hand index finger on the trigger and his thumb on the hammer of the revolver. Deputy Johnson commanded Mollman at least 4-5 times to put the gun down. Mollman was approximately 8-10 feet away from Deputy Johnson when Mollman stated, "Why, why put the guns down? Haven't you heard of death by cop?" Mollman did not comply with Deputy Johnson's commands and continued walking toward Deputy Johnson. Deputy Johnson stated that he was scared and in fear for his life. Deputy Johnson described that if he and Mollman reached out their arms they could have touched fingertips. He believed that Mollman had the ability to shoot him and as a result, Deputy Johnson fired his duty weapon seven (7) times at Mollman.

At approximately 7:18 PM, Deputy Johnson called dispatch and reported shots fired, subject down and that Deputy Johnson was okay. Emergency Medical Services was then dispatched to this location. A short time later, other law enforcement officers arrived.

During an interview with Pat Mollman, who is identified as the brother to Scott Mollman, he advised that during phone conversations with Scott during the day, he talked about guns, specifically their father's guns. Scott also talked about committing suicide. Pat was aware that numerous guns were located at the address of 6248 Blake Road and believed that was where Scott would go to get the guns. Scott also told Pat that he was suicidal, mad at the world, and mad at doctors for not helping him. Pat was concerned about Scott obtaining these guns and tried to get to the residence to speak with him. Pat arrived at the residence a short time after the shooting took place.
