

Dear South Dakotans:

The Office of Attorney General welcomes the assistance of citizens in our fight against Elder Abuse and Financial Exploitation.

Some of our vulnerable residents will be abused or neglected by the people they trust most. If you are aware of any elder being abused, neglected, or financially exploited please call your local police, sheriff, state's attorney, or DSS.

We are here to protect the elderly and disabled from abuse, neglect, and financial exploitation. Together, we can keep South Dakota a wonderful place to spend our retirement years.

Marty J. Jackley
Attorney General
