The Bipartisan Infrastructure Law (BIL), previously referred to as the Infrastructure Investment and Jobs Act, was signed into law on November 15, 2021. This addendum is to amend the existing 2022 Clean Water SRF Intended Use Plan for changes to the Clean Water SRF program required by the BIL.

Projects seeking a Clean Water State Revolving Fund loan must be on the Intended Use Plan and Project Priority List. This public hearing is being held pursuant to ARSD 74:05:08:05 and meets all requirements of the Clean Water Act. The Intended Use Plan also describes how the state intends to use available funds from both the standard program allocation and the BIL allocation for the year to meet the objectives of the Clean Water Act and further the goal of protecting public health.

Persons interested in presenting public testimony concerning the amendment of the 2022 Intended Use Plan or Project Priority List may appear at the designated place and time. Written comments will be received at any time prior to the hearing date by mailing them to the Environmental Funding Program, Department of Agriculture and Natural Resources, 523 E. Capitol Avenue, Pierre, SD 57501.
